

We would kindly like to inform you about the **new application process for incoming exchange students**. Starting from September 2017, incoming exchange student applications will only be done through our **Online Application Portal**. **Paper applications will no longer be required or accepted**.

Upon nominating students, the students will receive an information e-mail including the **registration link for our online portal**. Once they are registered they can submit their application together with the required documents **directly online**.

We will inform all applicants about their status within 2 weeks after application deadline.

Our international student guides, course catalogues, accommodation information as well as details regarding the required application documents can be found at www.fh-ooe.at/incomings.

Upcoming **application deadlines** for **summer semester** (i.e., spring term) 2018:

>> September 30 (School of Management, Steyr Campus)

>> November 15 (School of Informatics, Communications and Media, Hagenberg Campus / School of Medical Engineering and Applied Social Sciences, Linz Campus / School of Engineering, Wels Campus).
