FACULTY OF
ECONOMICS
SUBOTICA
UNIVERSITY OF NOVI SAD

Subotica

Meeting point – Faculty of Economics Subotica – place where tradition and contemporary ideas meet – celebrating 50 years of academic excellence...

Cutting Corridor 10 – ride to Novi Sad – brief history of north Serbian province of Vojvodina and easy ride through Pannonia lowland.

Novi Sad

- Downtown – meeting Serbian Athens at its best... From Gothic Cathedral to Bishops palace, from charming Laze Teleckog street, through famous Dunavska street to modern town oasis of lovely Dunavski park...

... and then waltzing across "...schönen blauen Donau"...

Petrovaradin

Unconquered fortress at Danube bank – before and after the decisive battle between the Austrian and Turkish armies on August 5, 1716 at Petrovaradin. The Austrians were led by Prince Savoy and the Turks were under the command of Grand Vizier Damad ali Pasha...

...walk through underground military galleries...

and then...towards Sremski Karlovci...

Sremski Karlovci

If you are getting hungry – you will have unique experience to have your lunch above Danube river...

...meanwhile you will get to know picturesque little town that will take your breath away... and that is a perfect place to taste some good wine... as Bermet, the famous wine which was served at the court of Maria Teresa and Titanic...

To the mountains! Fruska gora, national park...

Fruska gora Mountain

Learn while it is called Serbian Holly Mountain – hidden jewels – 16 orthodox monasteries dating from 12th to 15th century... feel your heart beating and enjoying lightweight air of national park Fruska gora...

Home we go, with desire to return, again...

Learn more – love more

Faculty of Economics Subotica decided to share with you tremendous wealth of ages on this crossroad of Europe... We take grate pride in what we have and what our ancestors survived... It is our token for building future... We wish to share this with our friend to help us communicate better and to bring us closer together...

If you want to be part of this experience...
