

We are always in search of great talents! A career in our Transfer Pricing and Direct Tax team will provide you with an opportunity to support clients to meet and manage their tax obligations and sustain proper tax position while complementing their business and operational goals.

We are looking for

Interns in Transfer Pricing and Direct Tax

Your role:

- Conducting research on relevant technical matters and data on the markets and clients
- Reviewing documents and data received from clients
- Preparing calculations and draft tax returns, analysing tax position of the clients through review of tax documentation and data
- Gaining initial insight on international tax law principles and rules and how they are applied in practice
- Participating in internal meetings and discussions regarding client's tax affairs and analysing relevant tax treatment

We are offering:

- Professional and technical growth, steep learning curve
- Working closely with leading industry experts
- Working with renowned companies
- Friendly work environment

Requirements:

- Recent graduate of **Economics, Law** or a related field, or a student who has already finished listening to all classes
- Fluency in English and Serbian languages
- Computer literacy, especially in MS Office
- Analytical mindset
- Openness to new technologies
- Good communication skills

*If you want to grow professionally in one of these two teams, please **apply** online using the following [link](#).*
